FROM THE PRINCIPAL'S DESK

The Voyager anchors for a while giving us the time to reflect on the year that went by. And ... what a year it has been!!!

The nail-biting competitions with the underlying camaraderie, the exams that compel you to compete with yourselves, the tours and excursions that left memories behind---in all - a lot of happenings. More than anything else, what matters is that we have learnt from everything that's happened! That is what learning is all about!

Life goes by in the blink of an eye! So let's relish and cherish the moments!

So as the Buddha says, ' On life's journey, FAITH is nourishment, VIRTUOUS DEEDS are a shelter, WISDOM is the light by day, RIGHT MINDFULNESS is our protection at night.'

So... let's get going with the next phase of the journey as new horizons beckon and new challenges set the goals for our journey!!

A journey in Sishya ...

School days are full of fun filled activities and competitions. The annual fest- SISHYOTSAV is one such memorable happening in the Sishyan Calendar. Sishyotsav explores the hidden talents inside each Sishyan and stages it before all. Sishyotsav includes competitions like Rangoli, Mime, Frozen Tableau, Music Competition and Dance Competition which gives opportunity for students having varying potential and interests. Sishyotsav is the grand festival of Sishya where there is laughter, tears, sorrows and of course a lot of learning and achievements. Sishyotsav creates a bond between sishyans. We Sishyans pool all our efforts for our teams, with each one having the desire to win. Throughout the Sishyotsav we have had healthy competitions. We would like to thank the Captain of our ship Dr.Vasanthi Thiagarajan for giving us a whole range of opportunities, to tap and showcase our skills and abilities. We have always felt proud to be a Sishyan and would continue to do so. We have no doubt that we Sishyans will reach greater heights in the future.
