A journey in Sishya ...

Sishya is a school of excellence. We take immense pride in being a part of the Sishyan family. Sishya, not only imparts education, but also teaches us to live, as well as face life, by providing varied opportunities, that hone our skills; be it in the field of art, craft, music, dance or sports. Our school also encourages us to participate in external examinations and competitions, thereby giving us ample opportunities to showcase our talents outside the ramparts of Sishya too!

Sishyotsav is a sequence of events which motivates every Sishyan to manifest his/her expertise. As is the tradition, this year too, the Sishyans' Utsav-the 'Sishyostav' began with the vibrant Rangoli Competition, where the four Houses namely the Enchanting Emeralds, the Radiant Rubies, the Scintillating Sapphires and the Terrific Topaz exhibited their artistic talents colourfully. This year's addition to the list of competitions was Creative Craft that included the awesome Origami and the fantastic Fuelless cooking. These competitions exposed the students' creative and culinary skills. The acting skills of the students came to the fore through the Mime Show. The Music Competition, as in the past years, turned out to be a feast to the ears, where the four Houses participated in a healthy manner. This grand Utsav culminates with the Dance Competition-and this year with fascinating Folk and fantabulous Fusion Dances.

Using the platforms provided by these competitions, Sishyans have sculpted themselves as true competitors, ready to face the challenges of the outside world.

We take this opportunity to express our heartfelt gratitude to the captain of the Sishyan Ship - our Passionate Principal, Dr.Vasanthi Thiagarajan, for the continuous motivation and encouragement.

-Stupendous Sishyans
